Delegates to the 2017 National **Boys' State** Conference, sponsored by the American Legion, were asked to **share** their **thoughts** about **America's veterans** and **military**. Listed **below** are a few of their **comments**:

"Thank you, Veterans, for protecting & defending our freedom & way of life. We are the greatest country in the world because we have the greatest people in the world defending us. Words cannot express the infinite gratitude Americans have for you."

For Every Moment of Peace
 For Every Day of Grace
 & Greatness
 For Every Liberty We
 Enjoy
 We Owe a Person in
 the Service of our Country
 Our Heartfelt Thanks

"Our country is what it is today because of the freedoms & visionary ideals established by our founding fathers. These principles have never been universally accepted in our world & often times come under fire from those who would wish to see them end. It is those who serve, day in and day out, that ensure the continuation of our values & civilization. Veterans fight not only on the front line but also on the home front to keep America strong. For all your hardship, sacrifice and most of all service, I thank you."

"It's a true honor & blessing to have such incredible protectors in our military. Your service makes the world a better place, keeps our nation a strong beacon of hope in freedom & democracy, and those around you are inspired & forever in awe of all that you have done and continue to do. Thank you."

Talking Points for Sunday, Nov 11, 2018

Nearsighted or Farsighted?

Genesis 25:19-34, Hebrews 12:14-17

We are thankful today for our veterans; those who are and were willing to sacrifice today for the future of our nation.

Our lesson today can be encapsulated in one statement: Don't sell out your future for temporary pleasure. From the story of Jacob and Esau, we see three reasons why.

1. You are not as hungry as you think.
 2. It costs too much.
 3. Temporary pleasures are just that . . .
TEMPORARY!
